# The Missing Piece of the Puzzle

**T**urmoil in the book vendor industry has significantly impacted library acquisitions, and you've probably experienced some of the challenges when dealing with today's major booksellers. As a complement to your existing vendor, Midwest Library Service can provide the missing pieces.

- FREE ILS interface via our InterACQ system (simple to learn & easy to use)
- A primary focus on order fulfillment
- Automatic out-of-print search
- UK sourcing, if necessary
- A report of "Not Available" means not available (from publisher or out-of-print market)
- Designated library service representative for direct communication
- Flexible processing available
- Customizable invoices & packing slips
- Backorder service for books not yet published or out of stock
- ...& much more!

Save time, effort, and aggravation with Midwest Library Service as your supplemental vendor.
